**WIA IB YOUTH SERVICE  
PROVIDER SELECTION**

**ACTION ITEM:** Approve and adopt the staff recommendation for Youth service providers for regions 1, 6, 7, 9, 10, 11, 12, 13 and 14 and authorize staff to negotiate and enter into contracts with each provider. This action requires concurrence by the Emerging Worker Committee and Oregon Workforce Alliance.

**INFORMATION:** Under the provision of Title I of the Workforce Investment Act we are required to competitively procure WIA IB youth services. In order to ensure that there was competition in each region prior and that a request for proposals was necessary, TOC/OWA first released a request for qualifications in November 2010. The results of this showed no competition for existing WIA 1B youth service providers in any of nine workforce regions.

Based on the results of the request for qualifications and related evaluation processes, staff is making the following recommendations for regional WIA IB and related grant service providers:

Region 01:	Management Training Corporation, Inc.;
Region 06:	Umpqua Training & Employment;
Region 07:	South Coast Business Employment Corporation;
Region 09:	Mid-Columbia Council of Governments;
Region 10:	Central Oregon Intergovernmental Council;
Region 11:	Central Oregon Intergovernmental Council;
Region 12:	Community Action Program of East Central Oregon;
Region 13:	Training Employment Consortium;
Region 14:	Training Employment Consortium.

Each of the recommended regional service providers is an experienced provider of WIA IB youth services. Each has an excellent record of compliance and performance, and each has been under contract by TOC/OWA for the provision of youth services for many years. Staff anticipates that there will be some negotiation with each of the selected providers to clarify the proposed WIA IB youth services program design, target populations, services and performance outcomes through the contracting process. The contracts will be for the PY'11 – '13 time period and will be renewable for an additional two years based on compliance and performance.
