

*The Apprenticeship Coordinators Group
of Oregon and Southwest Washington*

Invites You To Attend

AN INTRODUCTION TO THE BUILDING TRADES AND APPRENTICESHIP PROGRAMS

WHEN: Friday July 9, 2010
9:15 a.m. – 11:15 a.m.

WHERE: Central Electrical Training Center
33309 Hwy 99E
Tangent, OR. 97389

Please join Apprenticeship Coordinators from Oregon and Southwest Washington for an informative presentation focusing on training opportunities available through local apprenticeship programs.

This workshop will provide a general overview of apprenticeships (qualifications and requirements, apprenticeable occupations, program benefits and much more) followed by an open discussion with Coordinators from specific trade apprenticeships. After the presentation, you'll have an opportunity to meet the Coordinators and network with others.

Who Should Attend: Dislocated Workers, Veterans, Students, Workforce Development Staff, Career Counselors, women interested in Trade careers... anyone interested in learning more about apprenticeships is welcome! Minorities are encouraged to attend!

Coordinators from the following trade apprenticeships may be on hand, depending on availability: Asbestos Workers, Boilermakers, Bricklayers, Carpenters, Cement Masons, Dry Wall, Electricians, Elevator Constructors, Floor Coverers, Glassworkers, Insulators, Ironworkers, Laborers, Millwrights, Operating Engineers, Oregon Tradeswomen, Inc., Outside Linemen, Painters,
